Hot Cinnamon Schnapps

4-7 oz. orange juice, well shaken

orange cognac

½ -1 oz. grenadine

Put ice cubes in 8-12 ounce high ball glass. Pour in pepper vodka and cinnamon schnapps. Add orange juice to fill to desired level. Add two ounces of orange cognac. Last, pour in the grenadine, which will settle to the bottom. Add more ice to the drink as it melts, creating a longer and more sensual experience. This drink is no hit-and-run vampire bite.
